

HELP SAVE THE NEIGHBOURHOOD

© 1986 Panda symbol WWF® "WWF" is a WWF Registered Trademark

The neighbourhood is in trouble. The connection between people and nature is getting lost as communities address livelihood difficulties and species face extinction. WWF is working with partners to ensure that local communities can live in harmony with nature. Rather than protecting nature from people, we are looking for practical solutions so people can benefit from conserving the world around them. Help us look after the world where you live at panda.org/50
