

# HELP SAVE THE DIVE MASK

© 1986 Panda symbol WWF © "WWF" is a WWF Registered Trademark

The coral reefs where we dive need help. Overfishing, careless tourism and climate change are putting reefs and people's livelihoods at risk. From the Coral Triangle to the coastlines of Africa and Australia's Great Barrier Reef, WWF is promoting responsible tourism and pushing for protected areas and responsible fishing. Help us look after the world where you live at [panda.org/50](http://panda.org/50)
